Other Tools&Technologies: AWS ECS; IC2; S3, Git, REST, Docker, Github Actions

Projects

[Image Processing Tool](#)

=> Used python and tkinter, scikit-learn, opencv2 libraries

[Uber Clone](#)

=> Used React-Native: react-navigation, aws, DynamoDB, AppSync

[Airbnb Clone](#)

=> Used React-Native libs: react-navigation, rn-maps, aws-amplify cognito

Languages

Turkish: Native Language

English: Reading skills: C1

Writing skills: B2

Verbal skills: B2

Additional Details

Hobbies include swimming and trekking.

Education

Ege University, Izmir, Turkey

2017 - Present

Computer Eng., Faculty of Engineering (Bachelor's degree)

GPA: 3.53 out of 4

Taken Courses Included:

Analysis of Algorithms

Int. to Artificial Intelligence

Image Processing (Python)

Data Science

Microprocessors

Programming in C/C++

Object Oriented Programming (Java)

Data Structures(C#)

Mobile Programming (Java)

Programming

Tülay Başaran Anatolian High School, Samsun, Turkey

2013 - 2017
